The girl who will die

19 0 1

Chapter 1 by KAIYA BUDDKLUS

There was a girl named Mary Newman who didn't know what was going to happen soon. She should've been nicer to the other girl in her class. The other girl's name was Anna Linn. Anna Linn was tired of keeping her thoughts to herself, so she decided to let every thing out and make her suffer, make her regret everything she said to poor Anna.

Mary loved to hangout with her only friend and make fun of Anna, while Anna drowns out the pain with rock and heavy metal. Anna kept getting worse every time. that leads to the day she snaps, completey standing up and punching Mary in the face leaving her to sit and cry, then Anna gets up and runs away, away from her fears, her pain, everything. Soon enough she is far away, from every body. No one knows who she really was so she knows they won't miss her.
